

CLOSURE:

SR A1A / N BEACH CAUSEWAY is going to be closed to vehicular traffic due to Florida East Coast Railway (FEC) Grade Crossing Rehabilitation between

Saturday October 27, 2018 at 7:00 AM to
Tuesday, October 30, 2018 at 7:00 AM

PURPOSE/SCOPE:

This detour is being established to allow workers to perform necessary repairs to the FEC Railway at **SR A1A / N BEACH CAUSEWAY** just east of Old Dixie Highway. During the closure, workers will rehabilitate the existing track to repair defective rails and replace crossing surface to improve ride quality.

DETOUR INFORMATION: (See map)

Eastbound: Traffic on **SR A1A / N BEACH CAUSEWAY** will be directed to go north along Old Dixie Highway:

- Traffic going Eastbound on SR A1A / N BEACH CAUSEWAY will go north along Old Dixie Highway and turn right on 17th Street to drive east to
- SR A1A; then traffic will turn right and drive south to Shorewinds Drive/N Beach Highway.

Westbound: Traffic on **SR A1A / N BEACH CAUSEWAY** will be directed to go north along SR A1A:

- Traffic going westbound on SR A1A / N BEACH CAUSEWAY will go north along SR A1A and turn left on 17th Street to drive west to
- Old Dixie Highway; traffic will turn left and drive south to SR A1A / N Beach Causeway.

Local Traffic Detour: Local traffic will be allowed to use a temporary designated road just south of Old Dixie Highway:

- Traffic from N Federal Highway going east on N Beach Causeway will be directed south to a temporary designated road just south of Old Dixie Highway.
- Westbound traffic on SR A1A / N BEACH CAUSEWAY will take a temporary designated road just south of Old Dixie Highway.
