

Alternatives Public Workshop

Midway Road/County Road 712

Project Development and Environment Study
from Glades Cut Off Road to Selvitz Road in St. Lucie County

Financial Project Identification Number: 231440-3-22-01

Efficient Transportation Decision Making (ETDM) No.: 14177

Tuesday, June 28, 2016

5 p.m. – 7:30 p.m.

**Havert L. Fenn Center
2000 Virginia Avenue,
Fort Pierce, FL 34982**

The workshop is intended to present the alternatives that have been developed to meet the project need; provide an opportunity to discuss the social, environmental, and economic effects of the various alternatives; and obtain input from local officials, agencies and stakeholders. FDOT and consultant staff will be available at the workshop to discuss the project and answer questions.

The purpose of this study is to evaluate the need to provide additional capacity to meet existing and future needs; to allow opportunities for pedestrians, bicyclists, and transit facilities; to improve freight movement; and to enhance emergency evacuation.

For additional information about the project, visit our website at
www.MidwayRd.com

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact July Jimenez, P.E., FDOT District Four Project Manager, at (954) 777-4415 or email july.jimenez@dot.state.fl.us at least seven days prior to the meeting.
