

Enhancing Mobility

Martin ~ St. Lucie
2035
Regional Long Range
Transportation Plan

February 2011

Chapter 1 Public Participation Plan

Public Participation Plan.....1-1
 Public Outreach1-3
 Land Use Visioning Workshops.....1-3
 Initial 2035 RL RTP Description.....1-9
 Implementation.....1-14
 Web-Site Survey Results.....1-16
 List of Public Meetings.....1-27

Chapter 2 Alternative Land Use Data Development

Introduction.....2-1
 Current Conditions.....2-4
 The Public Input Process.....2-9
 St. Lucie County - Historical Trend Plan.....2-34
 St. Lucie County - Infill Alternative Plan.....2-35
 Martin County - Historical Trend Plan.....2-36
 Martin County - Infill Alternative Plan.....2-37
 Conclusion.....2-52
 Development of Socio-Economic Data and Future Growth Allocations.....2-53
 Martin County Socio-Economic Data and Future Growth Allocations.....2-56
 St. Lucie County Socio-Economic Data and Future Growth Allocations.....2-93
 Regional Perspective.....2-131

Chapter 3 Study Area Data Review and Analysis

Review of Existing Plans, Studies, Requirements.....3-1
 Federal Plans, Legislation, Initiatives.....3-1
 State Plans and Legislation.....3-9
 Regional Plans and Initiatives.....3-16
 County and Municipal Plans and Initiatives.....3-21
 MPO/TPO Plans and Programs.....3-36
 Changed Conditions Since 2030 Regional Long Range Transportation Plan.....3-49
 Transportation Facilities.....3-68
 Opportunities.....3-75
 Sources.....3-80
 Financial Data.....3-89
 Regional Freight and Goods Movement.....3-99
 Conservation Plan Reviews.....3-110

Chapter 4 Needs Plan Development

Methodology.....4-1
 Prepare GTCRPM Existing + Committed Base Network.....4-1
 Identify Future (2035) Roadway Deficiencies.....4-2
 Alternative Comparison.....4-17
 Develop 2035 Roadway Improvement Project Needs.....4-18
 Needs Plan Comparison to Historical Trend Alternative.....4-29

TABLE OF CONTENTS

Multimodal Transportation Strategies.....	4-30
US 1 Corridor Retrofit.....	4-35
Bicycle, Pedestrian, Greenways, and Trails Vision.....	4-36
Chapter 5 Development of Transportation Alternatives	
Development of Transportation Alternatives.....	5-1
Transportation Alternatives for Martin County.....	5-3
Transportation Alternatives for St. Lucie County.....	5-6
Chapter 6 Financial Resources Analysis	
Methodology.....	6-1
Federal Funding.....	6-2
FDOT Funding.....	6-5
State Program Revenue Estimates.....	6-6
Gas Taxes.....	6-12
Transportation Impact Fees.....	6-15
Summary Forecast Revenues.....	6-15
Project Cost Estimates.....	6-18
Chapter 7 Regional Goals, Objectives, and Policies	
Introduction.....	7-1
Overview.....	7-3
Goals, Objectives, and Policies.....	7-4
Chapter 8 2035 Cost Feasible Plan	
2035 Cost Feasible Plan	8-1
Summary of Needs Plan.....	8-1
Summary of Financial Resources Plan.....	8-1
Year of Expenditure Approach.....	8-1
Revenue Forecast.....	8-2
Cost Estimates.....	8-2
Multimodal Cost Feasible Plan.....	8-3
US 1 Corridor Retrofit.....	8-3
Treasure Coast Loop Trail.....	8-4
Congestion Management Process Strategies.....	8-4
Livable Communities Initiatives.....	8-4
Cost Feasible Plan Tables.....	8-5
Appendices	
Appendix A LRTP Checklist.....	A-1
Appendix B FDOT District 4 Review Comments.....	B-1
Appendix C Regional Cost Feasible Plan Map.....	C-1
Appendix D Regional Designated and Emerging SIS Facilities.....	D-1
Appendix E Bicycle, Pedestrian, Greenways, and Trails Regional Vision.....	E-1
